

CONSULTANT PROFILE MARK JORDAN

HEAD OF FINANCE RECRUITMENT

Mark joined the Netbox team in January 2026 and specialises exclusively in financial recruitment. With a strong focus on qualified and senior-level roles across all industry sectors, his arrival marks an exciting step in the continued growth of our finance capability and strengthens our ability to support clients and candidates across the full finance spectrum.

Bringing extensive experience from across the recruitment industry, Mark offers proven expertise in sourcing, assessing and placing high-calibre finance professionals. His approach is highly consultative and relationship-led, taking the time to understand each organisation's commercial and business objectives alongside candidates' long-term career aspirations and cultural preferences. Through deep market knowledge and a tailored approach, Mark is committed to delivering recruitment solutions that create lasting value for both clients and candidates alike.

A note from Mark: "Heading up the finance recruitment division here at Netbox, with circa a decade of experience across both multinational and boutique agencies, alongside a prior regulatory background within the banking sector, I bring a strong understanding of the qualified financial markets. I keep ahead of the trends and challenges currently faced by both businesses and professionals, meaning that I'm able to provide informed, timely advice and deliver recruitment solutions that align with both immediate needs and long-term objectives."

My expertise is built on deep local market knowledge, with a relationship and experience-led approach, providing honest and consultative advice, building long-term partnerships, and consistently delivering high quality outcomes for clients and candidates alike."

At Netbox Recruitment, we have a unique network of over 20,000 local candidates and a wider network where we gain 100's of candidate referrals for varied roles both specialist and support based. We also offer a 'Talent Guarantee', whereby we will recruit again at no cost if any candidate falls short of your expectations. This enables you to hire with confidence whilst allowing your new hire the time to settle in and truly flourish within your organisation.

"Working with Mark has been a genuinely refreshing experience. He took the time to truly understand our business, not just the job brief, and consistently delivered candidates who were both technically strong & culturally aligned. His communication was clear, honest & proactive throughout the process."

"What set Mark apart was his deep understanding of the market. He provided valuable insights on salary expectations, candidate availability, and hiring strategy, which helped us make informed decisions and secure great talent quickly."

"A recruiter who actually listens and delivers."

CLIENTS

"Mark is one of the best recruiters I've worked with. He genuinely listened to what I was looking for and never tried to push roles that weren't right for me. I felt supported and informed at every stage of the process."

"One of the few recruiters I would happily work with again."
