

# TEAM MEMBER PROFILE ROSIE KUMAR

## TALENT RESOURCER AND CUSTOMER SERVICE

An integral member of the Netbox Recruitment team, Rosie works closely with our expansive pool of candidates. She assesses each candidate's quantifiable attributes for each given role including their academic and vocational qualifications, years of industry experience, individual skill-sets and areas of particular expertise and preference. She also gains an insight into our candidates' personalities and unique motivational factors to help create full and robust and initial understanding of each candidate. Gaining such a thorough understanding at the initial stage of the recruitment process plays a vital role in ultimately securing the most seamless possible placements for our clients.

Rosie is a true professional, adopting a detailed yet highly personable approach, ensuring all candidates feel fully supported and encouraged from the onset and that their talents are always represented as accurately and as thoroughly as possible.

Rosie also provides key office support for the team at Netbox Recruitment with duties including administrative support though to assistance with the execution of marketing campaigns. This level of support has proven to be invaluable for helping all our office processes and procedures run as seamlessly and as efficiently as possible.
